

Neonatal Nursing CNA Certification Exam Preparation Workshop

CANADIAN ASSOCIATION OF
NeonatalNurses

WHAT:

- Eight-hour case-based workshop
- Incorporates all CNA neonatal nursing competencies
- Prepares you to write the CNA Neonatal Nursing Specialty Certification Exam
- Identifies knowledge gaps and areas for further study
- Open to anyone interested in neonatal education (do not need to be writing exam)

REGISTRATION:

- Visit the Canadian Association of Neonatal Nurses (CANN) website to register:
www.neonatalcann.ca

COST (WORKSHOP FEE):

- \$50 + tax for CANN members
- \$60 + tax for non-members
- Payable upon registration at
www.neonatalcann.ca

NOTE: Participation in the workshop does not replace exam preparation, nor does it guarantee exam success.
